

ICOCE 2025

March 22-24 2025
Singapore

With ICOCE being successfully held in Hanoi in 2017, Da Nang in 2018, Hue in 2019, fully virtual mode from 2020 to 2022, hybrid mode in Singapore in 2023 and 2024. **2025 9th International Conference on Civil Engineering** will be held in **Singapore** during **March 22-24**. The conference provides an international forum for researchers and practitioners to report most recent innovations and developments, summarize state-of-the-art, and exchange ideas and advances in all aspects of civil engineering.

PUBLICATION

Springer

Conference Proceeding: accepted papers of ICOCE 2025 will be published as international conference proceedings in Springer book series: Lecture Notes in Civil Engineering, which will be submitted to **El Compindex**, **Scopus**, **Inspec**, **SCImago**, **ZbMATH** etc for indexing.

PUBLICATION HISTORY

Proceedings of ICOCE 2024 | Volume 539 of Lecture Notes in Civil Engineering : <https://link.springer.com/book/9789819759095>, indexed by El Compindex and Scopus

Proceedings of ICOCE 2023 | Volume 371 of Lecture Notes in Civil Engineering : <https://link.springer.com/book/10.1007/978-981-99-4045-5>, indexed by El Compindex and Scopus

Proceedings of ICOCE 2022 | Volume 276 of Lecture Notes in Civil Engineering : <https://link.springer.com/book/10.1007/978-981-19-3983-9>, indexed by El Compindex and Scopus.

COMMITTEE

Conference Chair

Chian Siau Chen, National University of Singapore, Singapore

Conference Co-Chairs

Joseph Kim, California State University Long Beach, USA

Shane Snyder, Nanyang Technological University, Singapore

Conference Local Chair

Wu Wei, Nanyang Technological University, Singapore

Conference Program Chairs

ONG Ghim Ping Raymond, National University of Singapore, Singapore

Pen-Chi Chiang, National Taiwan University, Taiwan

Conference Program Co-Chairs

Prashant Kumar, University of Surrey, UK

Zongjin Li, University of Macau, China

Publication Chair

Eric Strauss, Michigan State University, USA

CALL FOR PAPERS

The conference is soliciting state-of-the-art research papers in the following areas of interest:

Architecture & Urban Planning

Structural Engineering

Road & Bridge engineering

Geotechnical Engineering

Landslide Hazard Mitigation

Hydraulic Engineering

Slope Stability

Coastal Engineering

Water Quality Control and Water

Treatment

Engineering Management

Soil-Structure Interaction

Computational Mechanics

Construction Technology

Building Materials

Hydro-Environmental Systems

Computer Simulation and

CAD/CA

Soil and Water Sciences

Fire protection Engineering

Water resources Engineering

Irrigation Engineering

Municipal and Urban Engineering

KEYNOTE SPEAKERS

Joseph Kim
California State University
Long Beach, USA

Chian Siau Chen, Darren
National University of
Singapore, Singapore

ONG Ghim Ping Raymond
National University of Singapore,
Singapore

Wu Wei
Nanyang Technological
University, Singapore

INVITED SPEAKERS

Alexander Lin
National University of Singapore,
Singapore

Kim Yongmin
University of Glasgow,
Singapore

IMPORTANT DATES

2025/01/05 Deadline of Submission

2025/01/25 Notification of Acceptance

The earlier you submit your manuscript, the sooner you will receive the review results.

SUBMISSION METHOD

All authors should prepare full version of papers with minimum length of 8 pages and submit via

<https://confsys.iconf.org/submission/ICOCE2025>
